FACILITY | NAMING SPONSORSHIPS

Industry Hub and Training Center | Columbus Innovation District

Located in the heart of the Columbus Innovation District, our Life Sciences Industry Hub and Learning Center is designed to elevate the life sciences industry in Ohio. This space houses the offices of the Ohio Life Sciences Association, and serves as home to numerous life sciences startups. The Hub houses regional and statewide events, workforce training initiatives, and many opportunities for collaboration. It's a place where leaders, innovators, and decision-makers will gather.

Each sponsored space will carry your name, ensuring every meeting, event, and collaboration is tied to your brand.

Contact Ohio Life Sciences for sponsorship opportunities at ols@ohiolifesciences.org

- **Boardroom:** A space where decisions and impactful meetings take place. Every boardroom session will happen in your named room.
- **Huddle Room:** Intimate settings for brainstorming, team discussions, and strategy development. A great spot for innovation.
- **Central Lounge:** An inviting space for networking, casual meetings, and collaboration, making it the core of daily interactions.

ADVOCACY EVENTS

May | November – Advocacy Day

This is our annual Advocacy Day that OLS will host at the Ohio Statehouse. Each year, OLS brings together industry representatives from across the state to convene at the Ohio Statehouse for a day of advocacy for the industry. OLS organizes meetings for our members with Legislators to discuss the ecosystem's rapid momentum and need for support at the state level. Meetings pertain directly to the Legislators' districts and all surround the importance of maintaining or expanding support for Ohio's life sciences industry. After a day filled with meetings, OLS members gather in the Statehouse for further, more intimate discussions with elected leaders and their staff over drinks and appetizers. This setting allows for more natural conversations and for our elected officials to meet dozens of industry professionals from every corner of the state.

Sponsorships 1 available @ \$5,000, 2 available @ \$1,000

\$1,000 Sponsorship Level

- Printed materials
- Receive social media promotion pre-event, post event, and in-event recognition
- Meetings with legislators

\$5,000 Sponsorship Level

- *All sponsorship benefits from \$1,000 Level AND:*
- Introduction remarks and opportunity to speak
- Brand on all signage, promotional materials/website/Eventbrite/emails/invites
- 3x 5 foot table space for materials
- Meetings with legislative leaders

ADVOCACY EVENTS

April | August | November – Lunch and Learn for Legislators and Statehouse Staff

OLS will convene a group of Legislators, staff, and OLS members for a discussion covering one of the following topics: obesity medications and the need for Medicaid coverage, gene and cell therapy 101, Ohio's top life sciences companies, and any other topics our sponsors would like to see discussed.

Sponsorships 2 available @ \$2,500

PAC Fundraiser

This exclusive event brings together industry leaders, policymakers, and community stakeholders to discuss the critical role of life sciences in Ohio's economy. Support the Ohio Life Sciences PAC and its mission to advance the life sciences industry in our state.

No sponsorships, Individuals and other PACs may contribute to the OLS PAC

- Name badges
- Printed materials
- Receive social media promotion pre-event, post event, and in-event recognition
- 3 x 5 foot table space for materials
